

COPYRIGHT AGREEMENT AND ACKNOWLEDGEMENT OF AUTHORSHIP FORM

This is to declare that all of us are authors of the following manuscript titled

“.....

.....

...” and we hereby agree to the following:

1. We have participated sufficiently in contributing to the content of this work and take responsibility for its contents.
2. The work is original and neither the work nor any essential part of it, including figures and tables, have been or will be published or submitted for publication elsewhere before publication in the Journal.
3. The article is free from any violation of intellectual property rights, including but not limited to copyright, database rights, or trademark rights. Additionally, there is no need for a license from or payments to a third party for the publication of the article.
4. We are aware that the journal allows us to retain all patents, other proprietary rights, and copyright to the article including the right to reuse, distribute, and republish it.
5. We agree that the article if accepted for publication by the journal then the article will be licensed under [CC BY-NC 4.0 \(https://creativecommons.org/licenses/by-nc/4.0/\)](https://creativecommons.org/licenses/by-nc/4.0/). This license permits users the right to copy, distribute, and publicly display the work in any digital medium for any reasonable non-commercial purpose, with due credit given to the author and rightful owner. By licensing our work, we grant the journal the right of first publication.
6. If requested by the editors, we will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript is based, for examination by the editors.
7. We have no conflict of interest among authors.
8. We agree to provide the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf, and he/she will act as the guarantor for the manuscript on our behalf.
9. All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If we do not include an Acknowledgment that means we have not received substantial contributions from non-contributors and no contributor has been omitted.

This form should be signed by all authors and submitted during the initial submission with the rest of the manuscript files. The authors can either sign the same page or submit separately signed documents.
